Thousands Quit Jobs in Protest Against Cut in Wages

CONDUCT WALKOUT QUIETLY

Belief Prevails That Readjustment Will Come Soon

One thousand railway shopmen employed in this city, quit work promptly at 10 o'clock central standard time, Saturday morning, and walked or drove to musicians' hall on the public square where they registered as on strike, in protest against a \$135,000 wage cut announced by the railway labor board.

Communication countermarching the strike order issued by M. B. Jewell, head of the shopmen's union, anticipated by some, failed to arrive.

Three hundred workers employed on the day shift at the B. & O. shops formed a line of march, wending their way to the public square, for the registration.

Two hundred or more from the L. & W. shops went to the strike headquarters in small groups. An attempt was made there early Saturday morning to keep the men at work. They refused to consider inducements offered, it is stated.

7,000 IMMIGRANTS FROM SOUTH EUROPE REACH U. S.

NEW YORK — More than 7,000 immigrants from South Europe packed the bows and forecabin of five steamships that started their dash thru Ambrose Channel for Quarantine promptly at one minute past twelve o'clock this morning to land their passengers before the new July quotas were filled.

Officials at Ellis Island predicted that it would be six o'clock tonight before the last of the newcomers would be landed.

RAIL GUARDS AND WORKERS CLASH

WASHINGTON — (Associated Press) — Disorders in connection with the strike of union shop men called for today occurred at the Baltimore and Ohio railroad company's roundhouse at Ivy City, Maryland, near here, early in the day when men said to be employees of the company drove from the vicinity of the roundhouse a detail of special guards sent there by the railroad to protect the property. The men are said to have mistaken the guards for strikebreakers. A hand to hand tussle took place before the guards withdrew but no one was injured.

When police of the Washington city forces, to whom the guards appealed for aid on leaving the roundhouse, reached the scene they found the cops and camping equipment which the guards had taken there destroyed. Quiet had been restored then, however, and the police expected no further disorders.

FORTY KILLED IN IRISH BATTLE

FIGHT IS STILL GOING ON

De Valera in Command of One Rebel Army

DUBLIN — (Associated Press) — The provisional free state government turned today to the task of clearing out the remaining nests of insurgents, following the fall of the Four Courts, their chief stronghold. The menace still confronting not only Dublin but the nation, was recognized, however, and the Irish minister of defense, in a proclamation to the troops of the national army, declared "we put out hand to this fight in defense of the people's will and with your aid we will see it to a successful issue."

CASUALTIES ESTIMATED

The total casualties in the three days' fighting have not yet been ascertained, but it is estimated they will not greatly exceed 100, the fatalities being placed at about 40.

It is reported on good authority that Eamon De Valera is in person in charge of the Sackville-st. district of the Republicans who are reported to be making elaborate preparations to repulse any attack, even breaking thru the side walls in order to connect all the buildings.

Looters in Dublin will be shot on sight by order of the government authorities. The commander of the national army today issued that warning.

6 YOUTHS HELD IN COUPLE'S DEATH

LANCASTER, Ohio — (United Press) — Carl Rife, B. C. Lake, Walter Eckert, Benjamin Tiller, Carl Miller and Herbert Bibbit, all of this city and all under 21 years of age, are held in jail here today in connection with an automobile accident, in which Charles Sadler, 28, and his daughter, Marvina, 9, were killed at Hookers, near here, last night.

Sadler and his daughter were standing in the highway, talking to James Kiger, a neighbor, as he sat in his automobile in front of the Sadler home, it is claimed. The automobile, in which the local boys were riding approached and ran between the stationary car and the curb line, killing Sadler and his daughter instantly, according to reports to police.

After striking the two, the death car did not slacken its speed, according to witnesses, but hurried away with no tail light burning. A man giving his name as Dr. Russell of Columbus, in another automobile, pursued the young men and overtook them. It is said that two of the occupants escaped.

U. S. Body Defied In Attempts at Peace When Union Chiefs Ignore Summons to Conference—Track Workers, However, Agree to Defer Suspension

CHICAGO — (Associated Press) — Thousands of railway shop men dropped their tools today to join the nation-wide strike call issued by the international presidents of the six shop crafts unions. Early reports indicated that shop mechanics and their helpers from the New England roads to the Western continental lines were generally joining the walkout, with about 50,000 already reported to have actually quit work at midday.

While there was no way of compiling accurate figures which might be all-inclusive, dispatches from points scattered from Boston to Kansas City showed that the strike had taken effect in shops on nearly all the important roads of the east and middle west.

Shop men in the Western states were expected to join the cessationist movement at the zero hour, 10 o'clock, arrived in their territories.

The strike call, sanctioning blacksmiths, boiler makers, sheet metal workers, electrical workers, machinists and carmen to stop work at 10 a. m. local time today was issued Thursday night after a ballot by 400,000 shop workers had showed, according to union officials, a 96 per cent majority in favor of striking.

JEWELL DEFiant

M. B. Jewell, head of the railway employees department of the American Federation of Labor, who defied summons to appear before the United States labor board yesterday in a last effort to avoid the strike, apparently had decided to remain consistent with his ultimatum to the railroads last week. Jewell successfully avoided subpoena servers during the night after the board issued a writ calling upon him to appear at the close of yesterday's conference. Efforts to locate him were fruitless until after midnight when

he was found at a hotel where he had met with his chairman regarding the strike. He declined to comment on the situation.

In his ultimatum Jewell told rail executives that the only possible avenue to peace was for the railroads to ignore the decision of the labor board slashing \$60,000,000 from the wages of shop men today, and to restore rules governing overtime pay and working conditions along with an agreement to discontinue the system by which several roads farmed out work to contractors.

CONCESSION OF ROADS

Declaring that the "blood was on Jewell's own head," Ben W. Hooper, chairman of the labor board who led the way to a peaceful settlement of the threatened strike of trainmen last October, said Jewell's belated appearance under subpoena could

If You Bought a Tire and It Proved Defective, What Then?

WOULD your dealer make good? Have you confidence in your dealer and the products he sells? We believe you should have! OUR patrons MUST be satisfied! Their confidence in our methods has built our business.

When we sell an article we first prove its worth. We won't recommend a thing we sell unless we feel sure it will give absolute satisfaction. That's why we have no hesitancy in recommending DAYTON TIRES. We stand back of every Dayton Tire we sell and so does the factory.

Today hundreds of motorists in Lima and vicinity will have nothing but Dayton Tires, and the list is growing with surprising rapidity. Wouldn't you like a set of these long-wearing tires on your car, too?

The Only Difference Is In The Size

YOU may have a large car or a small one. It doesn't matter about the size or weight. Any Dayton tire that will fit your car will give satisfaction.

Every Dayton Tire, large or small, is built with the same care and precision, with the same attention to detail of construction in materials and workmanship.

If you use a large tire, you'll never find a tire to outwear a Dayton; if you use a small tire, you will get more mileage and less trouble from a Dayton. We've seen it proven, many times.

There is a difference in sizes of Dayton tires, but there is no difference in quality.

The same is true of Dayton Tubes.

DAYTON TUBES are the kind of tubes we like to sell—they please you and this pleases us. They hold the air; they're smooth, thick, tough and will outwear any tube we ever saw.

DAYTON TIRES

CORDS of Super-Quality

FABRICS of Super-Quality

Ask About Our Long Mileage Guarantee

How do you judge tires? By the price, the looks or the feel? Or do you buy as carefully as you would select a fine suit or piece of furniture?

Do you study the INSIDE Quality; the long-staple cotton cords; the strength and number of plies (or layers of fabric cord)? Do you test the strength of the bead and side walls? Do you KNOW the quality and amount of pure rubber in the tread; the care in treatment, or curing, of the tire from the first layer of fabric cord to the completed tire as it leaves the mould?

We urge care and comparison. It will make you and every other car owner a better friend of Dayton Tires.

For Dayton Tires stand the supreme test—the test of time and mileage. They're built right. They're made to out-run their guarantee!

If you are interested in a tire that will not easily puncture, that will stand up for many thousands of miles without the slightest trouble—you will want Dayton Tires on your car at once. Come in and we'll gladly show you more about Dayton Tires.

Brennan In Hard Grind

(BY BOB DORMAN)

NEW YORK—"Big" Bill Brennan has become a shrinking violet.

He's training as he never trained before in his life.

It's the early morning hours that see Bill seriously at work in Central Park, near his home.

His audience, a few kids reveling in their new-found freedom from school.

His training apparatus, the trees, the rocks and the wooded paths.

He takes a slow jog of several miles over the winding paths.

A pile of rugged granite boulders gives him a chance to improve his agility.

A shin up the trunk of a towering tree adds strength to his legs.

Maybe a short wrestling match with a chance victory.

And then a few minutes of shadow boxing to give him appetite for breakfast.

Then Bill is ready to rest until it's time to do his stuff in the gym for the boxing fans.

TO WL: IMPRESSIVE
The reason for these early morning workouts?

Just a little bug that has Brennan in its grip.

A bug to take another track at the nearby track.

Of course the mention of Bill's name in connection with a match with the "giant-killer" is usually greeted with raucous laughs.

But Bill is in deadly earnest. He intends to make his win over Bob Martin, his opponent at Ashland, Ky., July 4, so impressive that fans will again be compelled to give him consideration as an opponent to Dempsey.

HEAVY TITLE BOUT ALMOST SETTLED

NEW YORK — Before many moons Jack Dempsey and Harry Wills will be down on paper to fight somewhere, some time for the heavyweight champion.

The New York boxing commission announced Dempsey has officially accepted the challenge of Wills and preliminary negotiations are on.

Its about five minutes in a taxi from Kearns' office to Madison Square Garden and it will take them only five minutes and a taxi to find the promoter, unless Kearns decides to stage the bout himself.

A FRIEND IN NEED A FRIEND INDEED

Writes Mrs. Hardee Regarding Lydia E. Pinkham's Vegetable Compound

Los Angeles, Calif.—"I must tell you that I am a true friend to Lydia E. Pinkham's Vegetable Compound. I have taken it off and on for twenty years and it has helped me change from a delicate girl to a stout, healthy woman. When I was married I was sick all the time. I took Lydia E. Pinkham's Vegetable Compound, and I was in bed much of my time with pains and had to have the doctor every month. One day I found a little book in my yard in Guthrie, Oklahoma, and I read it through and got the medicine—Lydia E. Pinkham's Vegetable Compound—and took eight bottles and used the Sanative Wash. I at once began to get stronger. I have got many women to take it just by telling them what it has done for me. I have a young sister whom it has helped in the same way it helped me. I want you to know that I am a 'friend indeed,' for you were a 'friend indeed.'"

Mrs. George Hardee, 1043 Byram St., Los Angeles, California.

Let Lydia E. Pinkham's Vegetable Compound be a "friend indeed" to you

AMATEUR GOLF FINALS ON

KANSAS CITY — The middle west faced the far west today when Chick Evans of Chicago, and George Von Elm, of Salt Lake City, Utah, met in the finals of the western amateur golf tournament over the Hillcrest course with Chick's six times held title as champion at stake.

Evans, probably the best known amateur golfer in the world, faced a man who has established a reputation as a player absolutely without nerves.

Each player fought his way into the finals only after some of the greatest golf ever seen in a tournament and there was none who doubted that Evans was facing a man worthy of any golfer's best.

Office Girl Is Star Athlete

SAN FRANCISCO — Can the "Pitt-bonnet" office girl, with her confining surroundings and routine hours, star in athletics?

Can she keep in "form" and "training?"

"Yes," emphatically answers Miss Emma Reiman, twice winner of the most strenuous of women Marathons, the "Dipsea hike," a west coast race unique in athletics. This annual event is a cross country run from the mountains to the sea over hills and dunes for eight miles.

Miss Reiman, who six days a week pours over columns of figures, does stenographic duty and other office routine, has been pronounced by trainers as "the best trained girl athlete in the west."

How does she do it? Miss Reiman supplies the following answer:

"Well, the first thing involved is a fond farewell to dances, late parties French pasty at the noon lunches and all that sort of thing."

"For six months 9 o'clock in the evening found me in bed and 5 o'clock in the morning found me up. Each morning at sunup or thereabouts I take a brisk hike of five or six miles. It's amazing how fit for work this makes one. Eat simple in fact. That's next in importance. Don't let your work spoil your disposition and digestion. Be contented at it."

"After a little rest at the end of the day's work take another hike. Remember you haven't been exercising all day and if you're tired it's mental and not physical fatigue. I do another stretch of miles before sundown then meal minus heavy or sugary foods. Several nights a week finds me at the gymnasium."

RECORD SECURED

Consent of managers to a suggestion by the Lima Boxing commission that Otto Percord of Toledo be secured to referee the Gross-Brennan fight here Tuesday, led to the eminent goal being signed last night.

Percord will referee the main fight. Charley Maxwell, local reliable arbiter, will referee the other bouts.
